Project Name	Project - IOT Based Safety Gadget for Child safety Monitoring & Notification
Maximum Marks	4 Marks

IBM SERVICES

The screenshot displays the IBM Cloud dashboard at the URL cloud.ibm.com. The interface is dark-themed and includes a top navigation bar with a search bar, 'Catalog', 'Manage', and 'Aravind C's Account' links. A left sidebar contains icons for various services like VM, Kubernetes, and Functions. The main content area is titled 'Dashboard' and features a 'For you' section with five cards: 'Build', 'Explore IBM Cloud Shell', 'Visit the IBM Cloud catalog', 'Build a web app with Watson Speech to Text', and 'Get Started with Watson Studio'. Each card includes a brief description and a 'Getting started' button with a time estimate. On the right, a user profile for 'Aravind C' is shown with options for 'Profile', 'Log in to CLI and API', 'Privacy', 'Change theme', and 'Log out'. Below the 'For you' section, there are four more cards: 'News', 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status', each with a 'View all' link. The bottom of the image shows a Windows taskbar with the date and time as 07:23 on 25-11-2022.
